ATTENDANCE INFORMATION

Research has shown that for every day a student misses school, he/she becomes more than two days behind in class. Research has also shown that regular school attendance is an indicator for academic success.

Absences: In California, students are expected to come to school on a daily basis. Students who have three or more unverified absences and ten or more excused absences will be referred to the School Attendance Review Board and may receive a citation into court. If your student is absent from school, please call the office at (760) 530-7676. It is very important that you notify the school of your student's absence. After three days, all unverified absences will be marked as unexcused. Absences that are not verified during the three day waiting period, will be marked as unexcused according to the Adelanto School District SARB A policy and procedures.

BP 5113/AR 5113 states: It is the parent's responsibility to contact the school office in order to verify their student's absence. Upon returning to school, parents will have three (3) days to provide a note or contact the school in person or by telephone to verify the absence. After three (3) days the absence will be permanently unexcused and considered a truancy. Disciplinary action may result from the unexcused absences. After three (3) days of cumulative unexcused absences, a truancy letter will be sent home and the District's School Attendance Review Board (SARB) will be notified.

Tardies: The tardy bell rings at 9:00 A.M. Students **must** be in their seats and ready to work when the bell rings. If your student is not in their seat by 9:00 A.M., they will be marked tardy. Students who enter the school after 9:00 A.M. will be required to come into the office for a tardy slip. Students who have three or more tardies over thirty minutes late will be referred for SARB A.

Independent Study: If it becomes necessary for your student to miss five to ten consecutive days of school, you have the option of requesting an Independent Study Contract. If your student completes all of the required assignments at an appropriate level of mastery, he/she will receive attendance credit for the days he/she was absent. Failure to return the completed contract assignments will result in your child being marked absent for the duration of his/her time away from school. You may contact Mrs. Root to request an Independent Study Contract. Whenever possible, please allow a one week window from the time of the request to the student departure date to ensure that your student's teacher has ample time to prepare the work requested.

Student Sign Out: In the event your student needs to leave campus before the end of the regular school day, you will be required to come into the office and sign your student out. For safety reasons, students will not be allowed to leave the campus with anyone not listed on the emergency card or without prior written approval from the student's parent or guardian. Students will not be released to anyone without a photo ID. While we recognize this may be inconvenient, we value the safety of all our students.

Divorce/Custody of Children: If your child has special custody or visitation agreements, it is most important that you bring this to the attention of the office staff. A copy of the court order document or final divorce papers must be given to the office. Without specific court documents on file, the non-custodial parent may sign out and remove the child from school. We will notify you in the event that this occurs and the Sheriff's Department may be called if we feel the students are in danger.

Emergency Cards/ABI Information: All students have an emergency card. Please make sure you update your student's card as soon as you have changes in address, phone number, insurance and guardianship. These cards are used in the event of an emergency or illness. You make check your student's information using the ABI online system found at <http://aesd.net>.

STUDENT PICK UP & DROP OFF

When dropping off or picking up your student from school, please use the Parent Drop Off lane nearest the office. **For safety reasons, please do not drop or pick up your student in the parking lot or from across the street as they may not be visible to other drivers and may sustain injuries as a result of being hit by a car.** Students will not be released through the bus loading zone exit. Because of the buses, this area is considered unsafe for students exiting or entering the school. Students that are picked up by their parents, walkers and/or bike riders will be dismissed at the gate by the front office. Students may ride bikes to school but may not ride them on campus. Bikes are to be walked to the bike rack. Students caught riding their bikes on campus will have them confiscated.

To and From School: Students are expected to travel directly to and from school along the safest and shortest routes.

Students are expected to exhibit the same behavior while en route to school and from school as on school campus. El Mirage School has the authority by law and Board Policy to suspend or expel students for violation of their behavior on campus as well as to and from school.

Please arrive at school no earlier than 8:55 am as there is not supervision before this time. The school gates open at 8:55 a.m. each morning.

LATE PICK UP POLICY

We expect that all students will be picked up no later than five minutes after dismissal. We understand that sometimes emergency or unforeseen situations occur which may interfere with a parent being able to pick their student up on time. When these situations arise, and we have not heard from the parent, we make every effort to get a hold of someone on the emergency card to come get the student. When we cannot reach the parent or anyone on the emergency card and thirty minutes has elapsed, it becomes necessary for us to call the local Sheriff's Department to pick the student up. If we have to call the Sheriff's Department, the student will be taken into protective custody and the parent will have to pick the student up at the Sheriff's Department.

TRANSPORTATION

Bus Riders: Not all students are eligible for transportation to and from school. For students in grades K-3, you must live outside the 1 ¼ mile radius. Students in grades 4-8 must live outside a 2 mile radius from the school. Please note that eligibility is based on the distance from the home to the school, not the home to the nearest bus stop. Please direct inquiries to the District Transportation Office at (760)246-8691 ext 10262 if you have any questions regarding transportation.

Bus Conduct: It is the intent of the Adelanto School District to transport students as safely and as comfortably as possible. To accomplish this, it is expected that students will conduct themselves in a courteous and orderly manner. Any behavior which is not conducive to the safety and well-being of everyone riding the bus will be subject to disciplinary action. Bus riding is a privilege. Students who repeatedly fail to act in a safe manner will be removed from the bus permanently.

SCHOOL TO HOME COMMUNICATION

Parents will have online access to student information and grades in the ABI system. Instructions and passwords will be sent home with students.

Important event information can also be found in the office and on the event board located outside the front office.

CAFETERIA

Breakfast and Lunch: Breakfast and lunch are provided free of charge to all El Mirage students.

Allergies: Please inform Director of Food Services at (760) 246-4912 if your child has any unique food allergies that require special meal preparation.

HEALTH

School Health Assistant: The El Mirage Health Assistant is utilized when a student becomes ill at school, needs minor first aid or is required to take a prescribed medication. The Health Assistant may only give medication accompanied by a completed Physicians Recommendation for Medication form. All medication must come to school in the bottle it was originally dispensed in. Prescription must include the student's name, type of medication, dosage, and the time and type of administration. Parents will be called to pick up their student when it is determined a student is too sick to remain in school. Due to privacy issues with our students, you are not allowed to use the health room door as an entrance or exit. Please enter and exit through the front office doors only.

The District Registered Nurse: The District Registered Nurse is available in cases of emergency and for routine vision, hearing and scoliosis screenings. She maintains the health records of students with health problems such as asthma, diabetes and allergies. She works closely with parents and the school to develop a care plan for each child with special health needs or concerns.

CAMPUS VISITATION

Visitors: El Mirage School is a closed campus. We are delighted to welcome parents and other community members to visit our campus. However, in order to help us ensure the safety of all, we require that visitors sign in at the school office before entering the campus. Observation opportunities, either in classrooms or on the playground, are also possible. Information on how to arrange such observations is available in the office. Children (including small brothers and sisters) not registered at El Mirage School are not allowed to attend school as visitors, per district policy. The Principal will make every reasonable attempt to honor a 24 hour advance request from parents/guardians and interested members of the community to visit the school and view the educational program and instructional materials.

Parents who wish to observe in the classroom are asked to observe silently. Once the observation is complete, the parent may schedule a meeting with the teacher to discuss the observation. We do not allow parents to interrupt the learning environment while class is in session.

Raptor: Visitor Response System

Adelanto Elementary School District has adopted and enacted a visitor response protocol, in our collaborative effort to protect every child, every school, every day. In line with best practices, we make every effort to ensure safety, privacy and reputation of the community. We need to be sure of who is on our campus.

Raptor is a visitor tracking system that incorporates a search of sex offender databases in all 50 states. This internet based program allows our schools to take the driver's license or photo ID of individuals, scan through a reader, and automatically log the visitor's name, address and partial driver's license or ID number into a visitor database. The system quickly prints visitor badge that include a photo, the name of the visitor, time and date. This search is done by our authorized campus staff to take appropriate steps to keep the campus safe. Additional visitor data will not be gathered and no data will be shared with any outside company or organization.

Volunteers: El Mirage School has an active program for interested parents and community members eighteen and over who wish to volunteer. Coordinated by our secretary, these volunteers work in classrooms and at the school to provide support and safety. A completed volunteer application, a TB Test and a copy of your driver's license, and fingerprinting, along with board approval must be turned in prior to volunteering at school. **Parents who wish to chaperone on field trips must receive volunteer approval from the School Board prior to attending the field trip.** Interested volunteers can call the school office at 760-530-7676. We have many opportunities for parents who wish to be an active part of the El Mirage Campus.

Classroom Deliveries: Delivery of flowers, balloons, etc will not be allowed during the school day due to the disruption of learning time. Store bought treats in the original packaging are allowed with permission of the teacher.

Parent Teacher Conferences: We encourage all of our parents to attend their conference. At the conference, you will receive information on your student's progress towards mastering the Common Core Standards. If you are unable to make your scheduled conference time, please schedule an alternate time when you can come meet with your child's teacher. Progress reports are sent home on a regular basis, if you have concerns about your child's progress, we would be more than happy to meet with you.

Uniform Complaint Procedure: Should you have any concerns that are not handled appropriately by the school administration, you may request a public complaint form from either from the El Mirage Office or the Adelanto School District Office. Once the complaint is filed, you will be contacted by School District personnel. We ask that you seek first to meet with your school Dean or teacher should a problem arise. We work very hard to ensure a satisfactory outcome to all.

CAMPUS LIFE

ACADEMICS

Grade Reporting: The Adelanto School District grading period is dividing into trimesters for grades K-6 and quarters for grades 7-8. If your student is "at risk" of not meeting grade level standards, you will be notified through mid grade period progress reporting and during formal conference periods. While we make every effort to notify you of your student's progress, it is your responsibility to ensure your child is making adequate progress towards mastering grade level content standards.

Academic Teaming: The El Mirage staff believes in meeting the needs of all students. With this in mind, teachers work and teach collaboratively. Students may be placed in academic groups based on their levels of content mastery and may change teachers throughout the day.

Homework: At El Mirage we feel that literacy is the cornerstone to a great education. We ask that each child read for at least 30 minutes each evening. Students may read independently or with another family member. Homework is assigned to reinforce, extend or enrich the educational process to sustain content mastery.

...Be Safe, Be Respectful, Be Responsible

Assessment: Students are assessed throughout the year. Assessment data is used to drive the instructional needs of the school. In addition to the local Adelanto benchmarks, students in grades 3-8 are required to take the SBAC test each spring.

Library: All students receive regular instruction in library skills. **Students who lose or damage books are required to pay for them. Students will not receive a report card if a book/fee is owed. Students who owe for library or textbooks will not be allowed to attend field trips, dances or promotion. Students are responsible for their textbooks once they are checked out to them.**

STUDENT RECOGNITION

We believe that every student on our campus can and will be successful. We take every opportunity to celebrate this success. We encourage and invite you to attend these celebrations.

Perfect Attendance: Students who do not miss any days of school are honored at the trimester/semester awards. Students who have perfect attendance the whole year are honored with an award at the end of the year. In order to receive a perfect attendance honor, a student cannot have missed any days or have been tardy or picked up from school early.

El Mirage Store: To support our PBIS (Positive Behavior Intervention and Support) program. Students will have the opportunity to earn El Mirage dollars by displaying positive, responsible behavior in the classroom, on the playground and on the bus. Only El Mirage dollars can be used in the store. The store will be stocked with school supplies and fun items. Donations are always welcome.

Semester Academic Recognition Assemblies: Each semester students will be recognized by their classroom teacher for their academic achievements, citizenship and assessment scores. Parents are encouraged to come and celebrate the achievement of their student.

Classroom Celebrations: Throughout the year, teachers may designate a short period of time for a celebration. Parents often want to know what types of things they can provide for the celebration. District policy and County Health regulations prohibit us from serving home baked items. All food items brought to school for consumption by students must either be commercially prepared or prepared at the school site. Items must be in the original packaging. If you would like to help with parties, please contact your child's teacher

PARENT ORGANIZATIONS

Parent involvement in school is a critical indicator for academic success. Recognizing the importance of our parents, we invite you to be involved in every aspect of your student's educational journey. A great way to be involved is to join some of the parent groups we have on campus.

SSC: The School Site Council plays an important role in the educational program at El Mirage School. Site Council voting members are elected for two-year terms. The main responsibility for School Site Council is to assist in improving the learning environment here at El Mirage School. All parents are encouraged to come and attend School Site Council's monthly meetings even if they are not voting members.

ELAC: (English Learner Advisory Committee) The ELAC committee is made up of the parents of our English Language Learners. This committee meets throughout the year to discuss student progress and provide input for the instructional program for our English Learners, including categorical budget expenditures.

...Be Safe, Be Respectful, Be Responsible

LOST AND FOUND

Children will be able to view lost and found articles during lunch. These items will be kept in a box in the Multi-Purpose Room. At the end of the school year, all unclaimed clothing and items will either be donated or cleaned and used for school needs. Parents may want to check the Lost and Found area periodically throughout the school year. We make every effort to return lost items, labeling your student's personal items with their name helps us in our return efforts.

DISCIPLINE POLICY

Discipline Philosophy: All students have the right to learn in a conflict-free environment. Therefore, teachers have the right to expect each child to demonstrate behavior appropriate for school. Students will be counseled when they make inappropriate choices. Every staff member on the school campus shares the same expectations for student behavior. When a student demonstrates negative behavior, they will receive consequences appropriate to the action. Students are expected to know and follow school and classroom rules at all times. In an effort to educate every student on the appropriate way to behave in school we hold behavior assemblies throughout the year, we model appropriate behavior and choices and we work closely with parents. We want every student at El Mirage to receive the maximum benefits of attending our school.

PBIS: El Mirage School is a Positive Behavior Intervention and Support campus. We believe that all students can be taught the appropriate expectations for behavior. Our school will focus on three behavioral expectations: Be Responsible, Be Respectful, Be Safe. We also believe that when a student does not behave appropriately, that they need intervention and support. We work with every student, developing and using different methods of support to help all students achieve and behave their very best. For more information on our district PBIS goals please visit the district site aesd.net.
